LETTER

On October 26th, 1994, an Information Disclosure Statement and Modified 1449 Form regarding the above-identified application were mailed to the Patent And Trademark Office.

After the Information Disclosure Statement and Modified 1449 Form were mailed, it was noted that on page 2, paragraph 2, of the Information Disclosure Statement, references 2-3, 5-7, and 9-22 were referred to as being discussed in applicants' specification. In fact, no reference 21 or reference 22 is listed on the Modified 1449 Form and no such references were meant to be so listed. In addition, reference 1 of the Modified 1449 Form was discussed in applicants' specification, but inadvertently omitted from mention in the Information Disclosure Statement.

Applicants therefore respectfully request that the Examiner note that page 2, paragraph 2 of the Information Disclosure Statement mailed October 26th, 1994 regarding the above-identified application should be corrected to read:

"References 1-3, 5-7, and 9-20 are discussed in applicants' specification."
